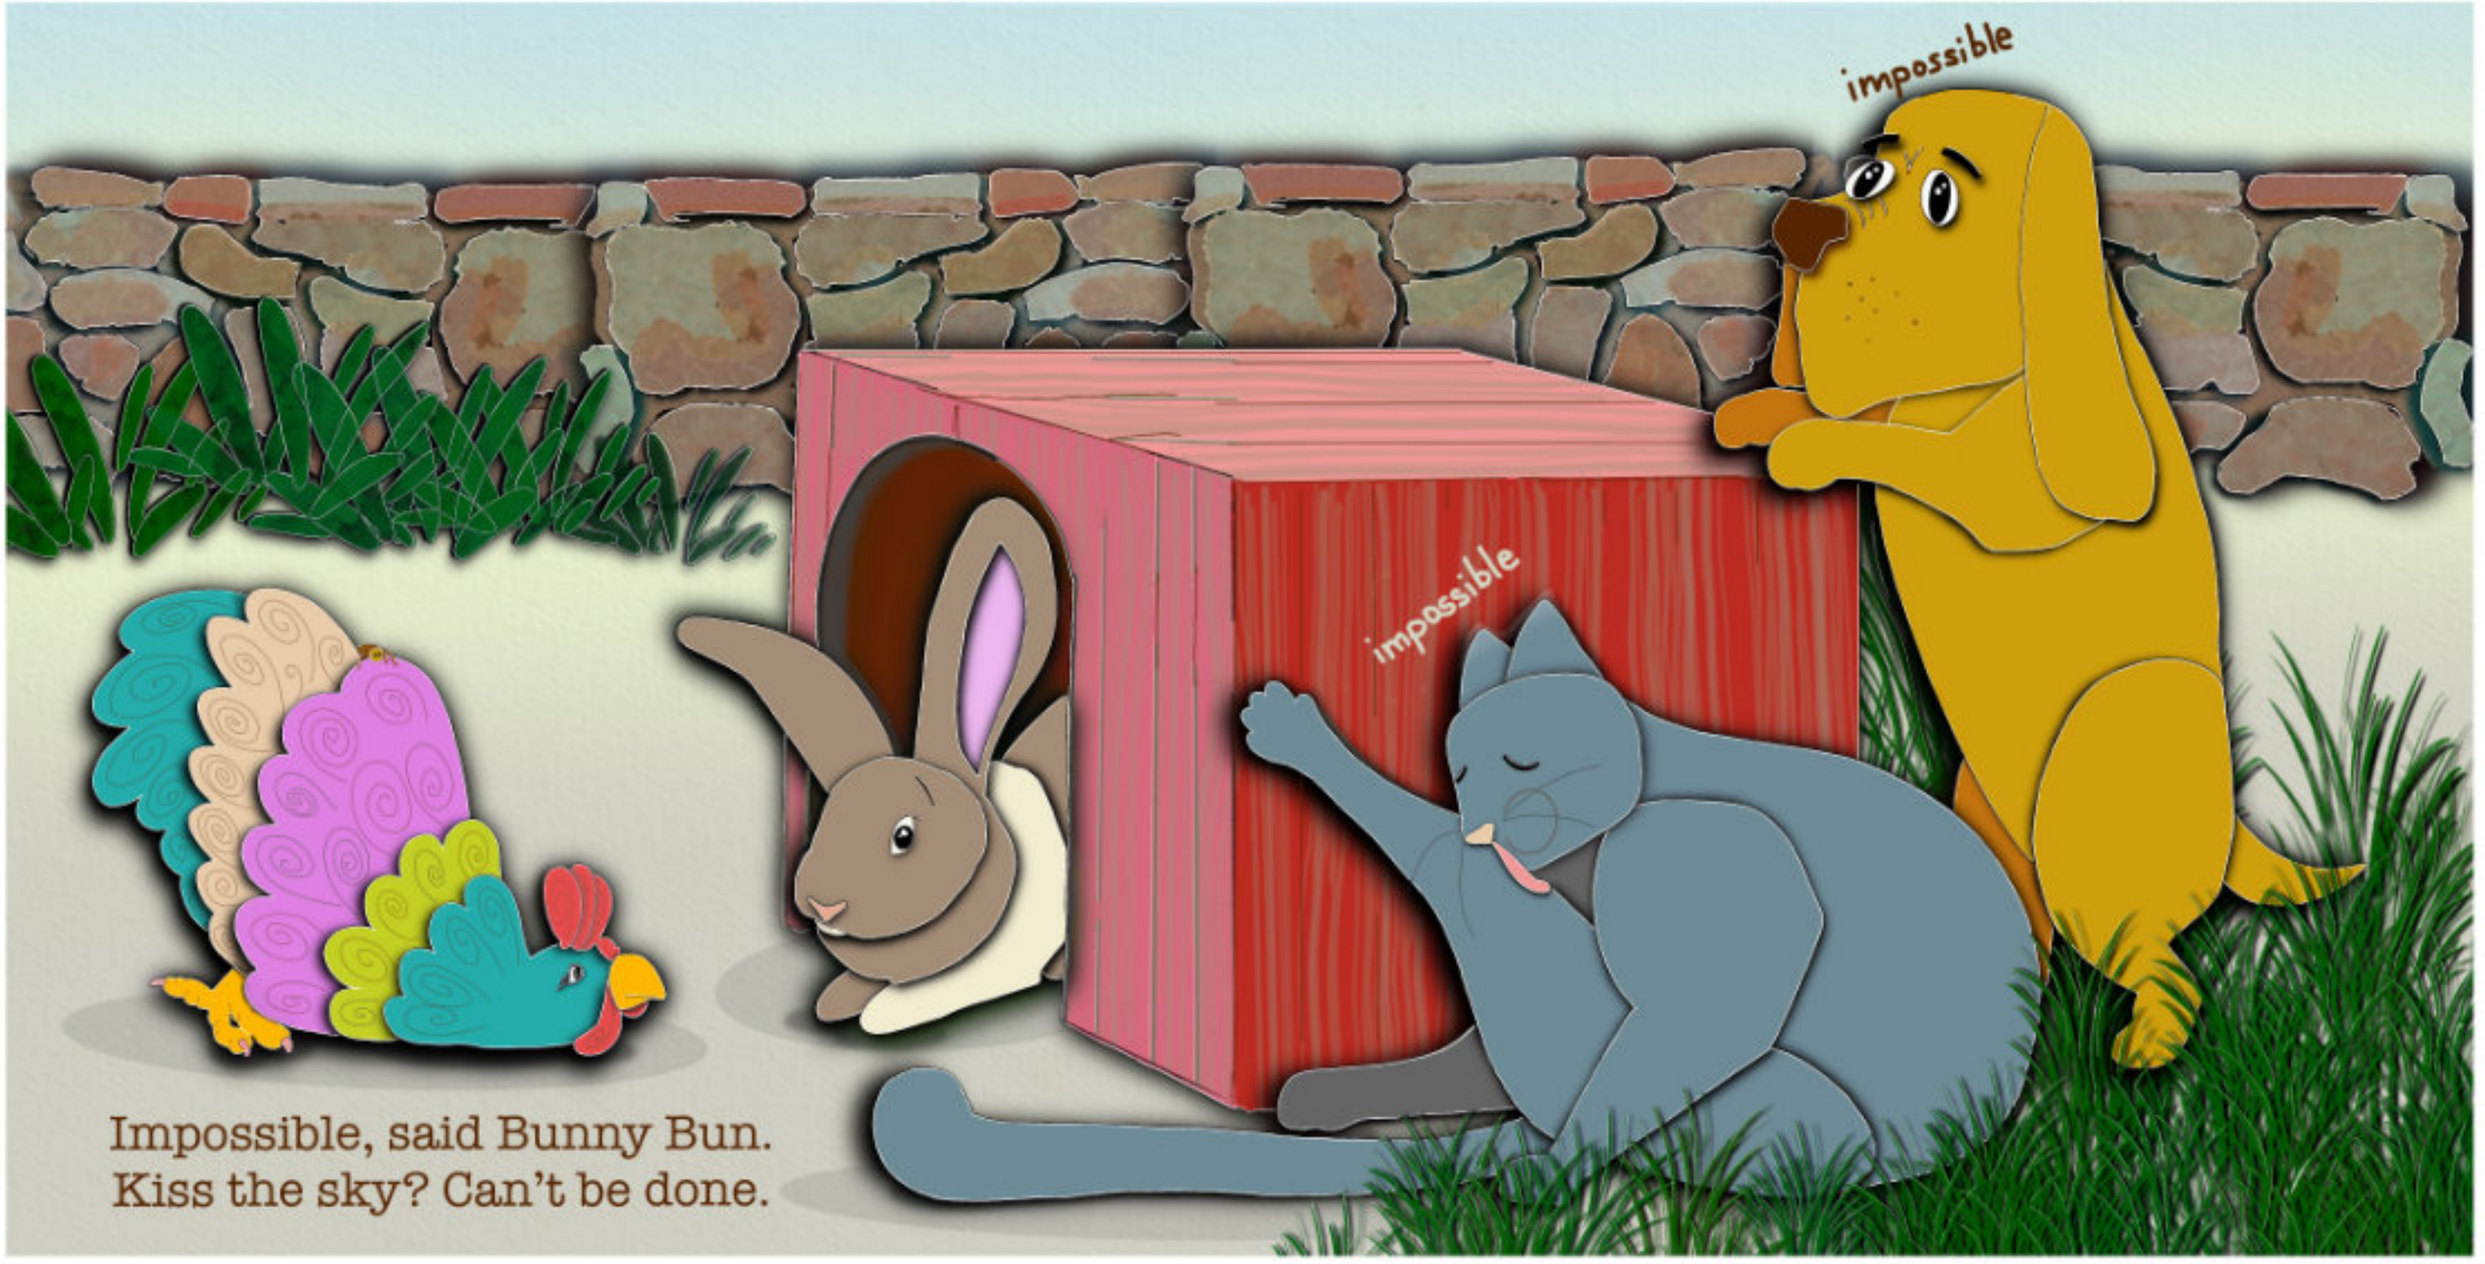
It was an ordinary day,
in an ordinary week.
When a piece of the sky fell
on Chickie Chick's beak.

I kissed the sky!
shouted
Chickie Chick.
She jumped in the air, and danced a bit.

Impossible, said Doggie Dog.
It was probably a bit of fog.

impossible
Impossible, said Kitty Cat.
I've never
- ever -
heard of that.



impossible
impossible
Impossible, said Bunny Bun.
Kiss the sky? Can’t be done.

impossible
impossible
impossible
impossible
impossible
impossible
impossible
impossible
impossible
IMPOSSIBLE!
The animals cried.
There is NO ONE that can kiss the sky!

impossible

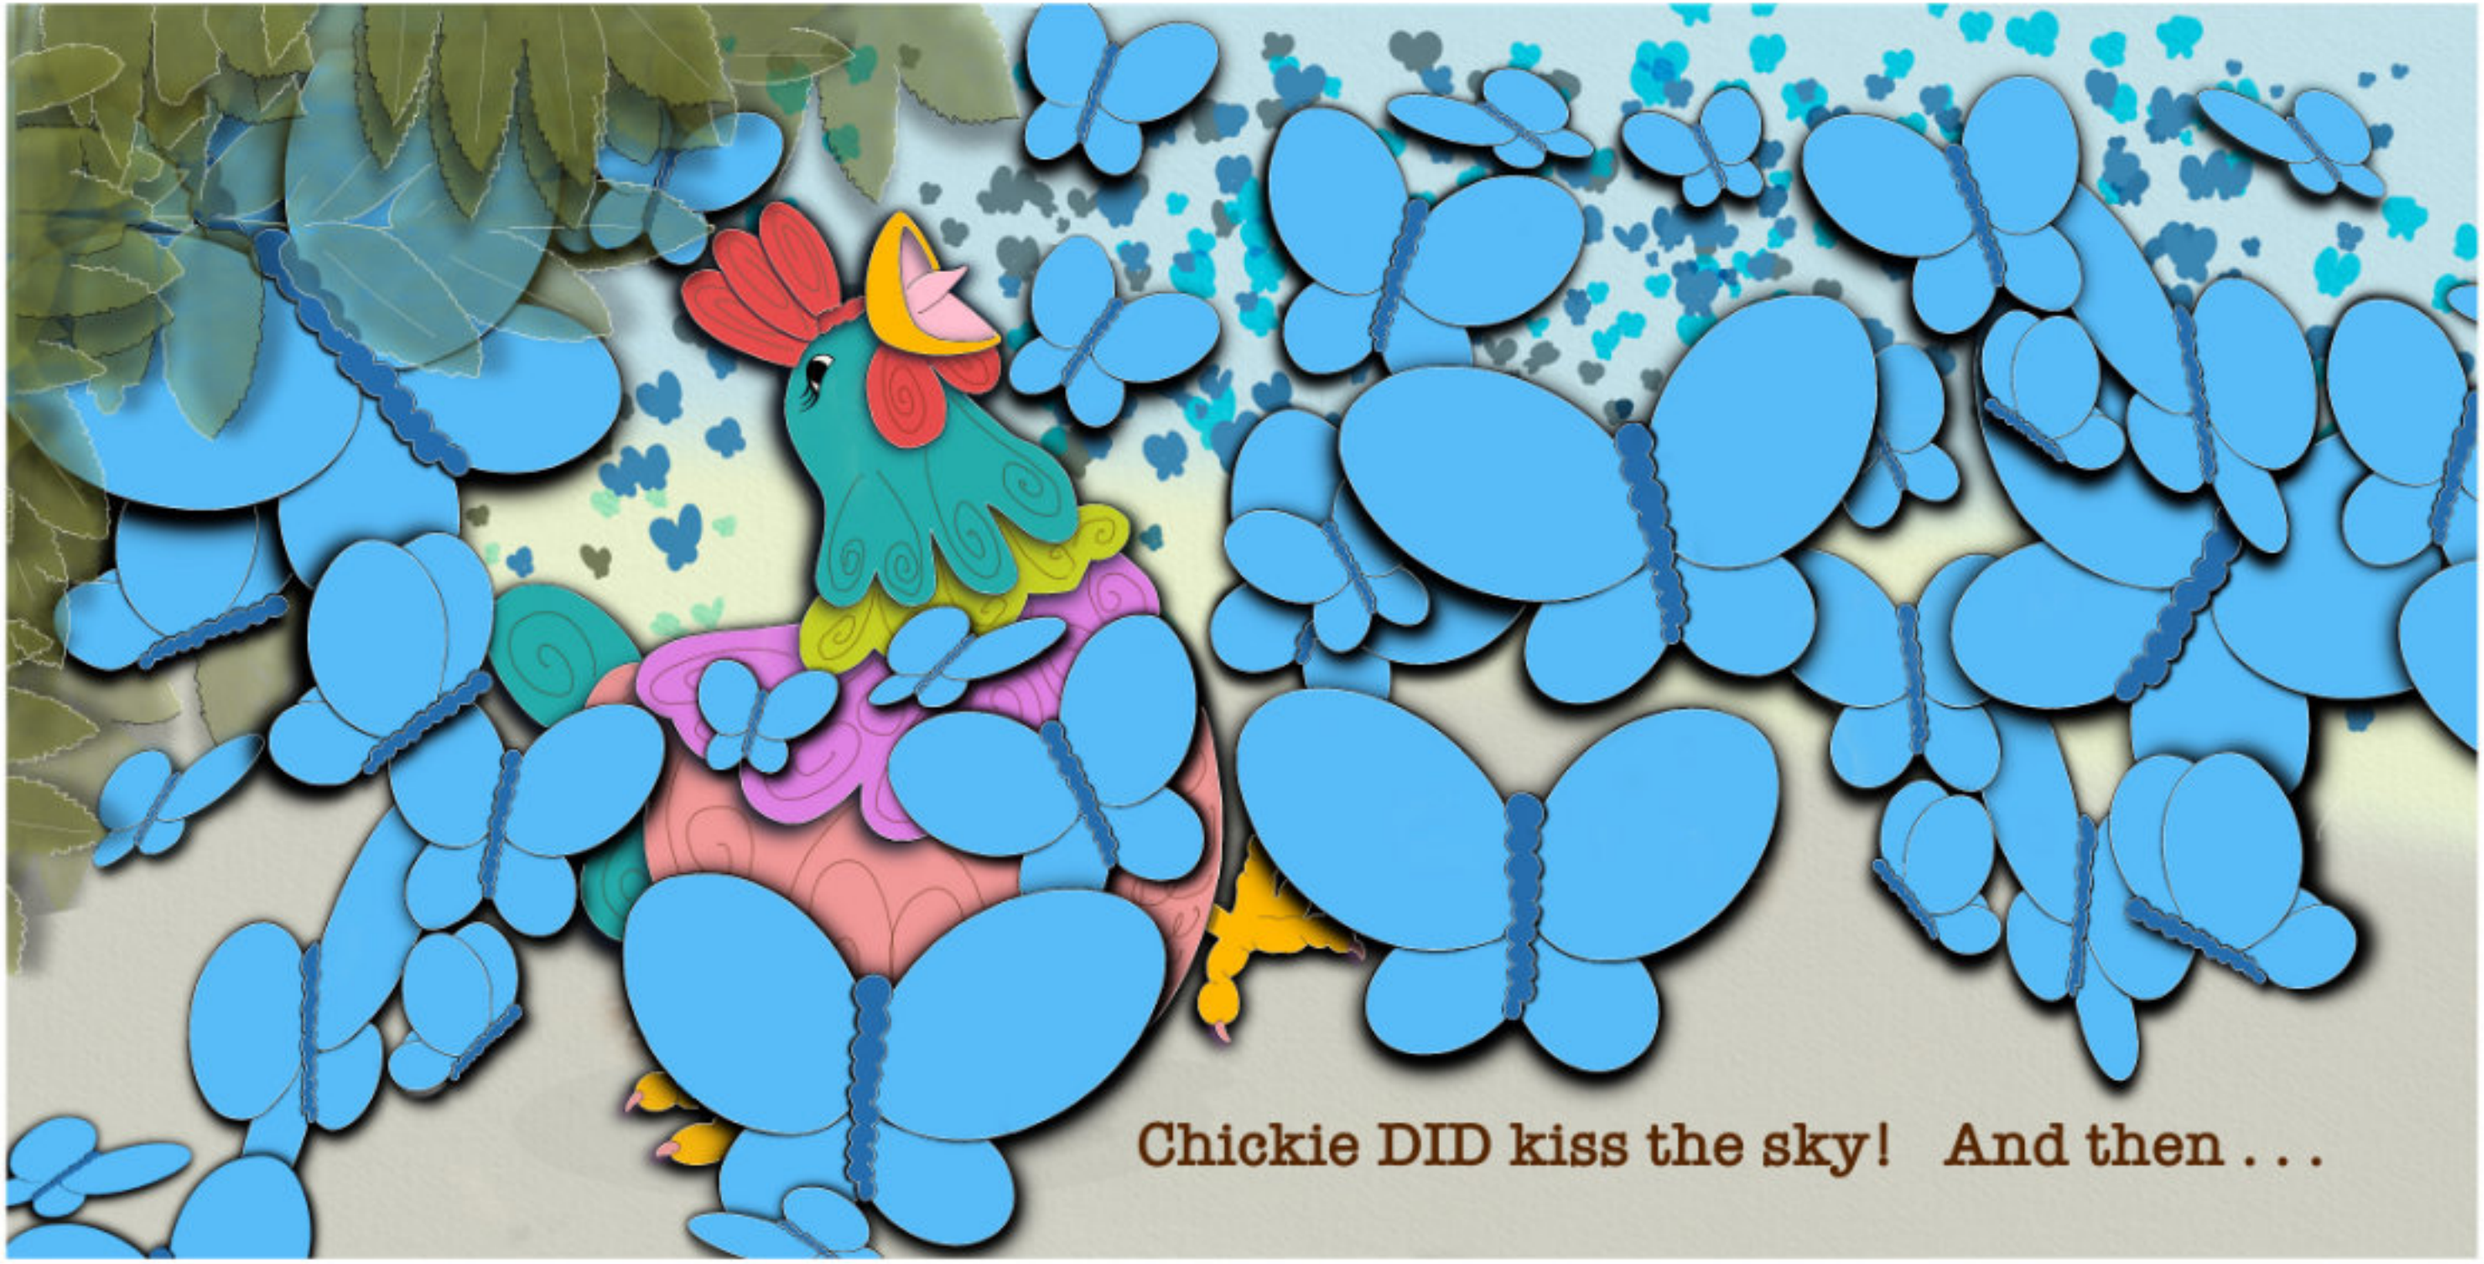
It’s not impossible,
you have to believe it.

It IS impossible!
Why can't you just see it?

The way to find out
is to try it once more.

It IS possible!
You've done
it before.

I KNOW I did!
I can do it again.



Chickie DID kiss the sky! And then . . .

We see it now.
It's NOT impossible.
